Mobile Phones and YondR pouches

Following the successful introduction of Yondr mobile phone pouches in June, we would like to thank parents and carers for your fantastic support. The launch was extremely positive, and we were particularly pleased with how quickly students embraced the system and took real responsibility for managing their devices. As we prepare for the start of the new term, please remind your child to locate their Yondr pouch and bring it with them on the first day. If a pouch has been misplaced and cannot be found, a replacement can be purchased for £11 through the MCAS app. Simply log in, select Store, and add "Phone Pouch" to your basket. Complete your purchase using the basket icon in the top-right corner. A new pouch will be issued to your young person when we return to school.

Students who arrive without a Yondr pouch on the first day of term, and where we do not have confirmation through Bromcom Parental Consents that they will not bring any electronic devices to school, will, as usual, be required to hand in their phone for the duration of the school day. Thank you once again for your continued support, which has played a key role in helping us implement the Yondr pouches so successfully.

School Uniform and Equipment

Please do ensure that you source any uniform or equipment needed for the start of term as soon as possible to avoid any issues.

Uniform expectations are here:

A reminder that our two school uniform shops, Proserve and Shipshape have in stock all uniform items.

Start of Term Arrangements

Term starts as follows:

- Monday 7th September – Year 7, Year 11 and Year 12
- Tuesday 8th September – all other year groups

Students in all years should be on site by no later than 8.20am, as usual, on their first day. Further instructions will be shared in communications before the start of term.

We will be sharing more information, including contact details of tutors and other key staff, in our 'Page on a Fridge' guides that will be issued soon after the start of term.

Please don't hesitate to get in touch with any questions about the new school year.

With best wishes,

Tom Inman
Headteacher
