A Culture of Safeguarding & Welfare
Everyone's Responsibility, Everyday, Everywhere

What do we mean by Safeguarding & Wellbeing?

We mean keeping children and young people **safe, healthy, supported** and **protected** from **harm**, both **in school, outside of school and online**.

Why do we do this?

- To **protect** children from abuse, neglect, exploitation and harm.
- To **prevent** impairment of children's mental and physical health.
- To **ensure** children grow up in safe, effective care.
- To **take action** to enable all children to have the best possible outcomes.

Harmful behaviour is **never acceptable** and should **never be dismissed** as "banter" or simply "part of growing up".

Where do I find the Safeguarding & Welfare Hub?

This is now on Gipsy Lane between the Languages and Science classrooms.

What to do if YOU have a worry or a concern in, outside of school or online?

Tell an adult

Why do some staff members wear PINK lanyards?

They are the safeguarding team who have received additional training to keep everyone safe

What do I do if I have a worry or concern about how an adult is conducting themselves?

You tell Alan Yendell (DSL) or a member of staff that is wearing a PINK lanyard

What if I am not confident or able to tell an adult?

You can use the **student worry button** which is on the school website – **it's confidential!**
